

Expand Your Thinking

Yuval Zommer

Wonder and connect to the natural world using picture books by the incredibly talented author / illustrator Yuval Zommer.

This activity has been designed to complement any Yuval Zommer book. Simply pick a page to focus on and use the visible thinking questions in the [activity sheet](#) to get students thinking.

Expand Your Thinking

Zoom In

Look closely at the picture, what catches your eye?
Draw a close up view.

Zoom Out

What else would you add to the illustration?

Hidden Frame

What is the hidden story here?
Think about what you can't see.
